

Clinton Public Schools 2016 - 2017 District Goals

*The mission of the Clinton Public Schools is to prepare **independent and collaborative** learners **empowered** to embrace the future.*

Driving Forces and Unifying Principles

As a Professional Learning Community we will:

1. Develop literacy in core disciplines to ensure quality learning experiences and achievement.
2. Embed the application of knowledge and skills in all learning experiences and new situations.
3. Develop and implement high-performing collaborative teams focused on improving teaching and learning.
4. Provide safe, high quality learning environments that support the District's commitment to its educational mission.

District Goals

1. **Develop literacy in core disciplines to ensure quality learning experiences and achievement.**
 - *Complete the social studies and science curriculum renewal.*
 - *Evaluate, examine, and develop mathematics curriculum at the secondary level to meet the district curriculum expectations and improve student achievement.*
 - *Align K-12 writing practices and expectations.*
 - *Analyze, review, align, and refine implementation of support services (SRBI, ELL, Special education referral).*
2. **Embed the application of knowledge and skills in all learning experiences and new situations.**
 - *Define and embed quality instructional practices, instructional strategies and instructional tools, including technology integration, for all classroom learning experiences.*
 - *Identify and define the academic skills and levels of expectation for demonstrating all District Foundation Skills and Competencies.*
 - *Identify, teach, support, and develop habits of mind and executive functioning skills in all learners and across all learning environments.*
3. **Develop and implement high-performing collaborative teams focused on improving teaching and learning.**
 - *Revise and refine the district evaluation and professional learning systems.*
 - *Refine performance expectations for all staff that improve inclusive instructional practices and student learning.*
4. **Provide safe, high quality learning environments that support the District's commitment to its educational mission.**
 - *Define and refine consistent and coherent communication strategies that articulate and promote Clinton Public Schools, our mission and accomplishments.*
 - *Monitor, refine, and evaluate the facilities, operations, and processes at the NEW Morgan School.*
 - *Effectively implement new financial software to enhance budget management, reporting, and monitoring of district finances.*
 - *Support the transition of facilities and maintenance department to a new location to ensure effective functioning of facilities and maintenance service and responsibilities.*
